INTRALaw
Inauguration Seminar
Friday 24 October 2014
Invitation and programme
Invitation

We are pleased to invite you to this seminar which will celebrate the establishment of the research centre INTRAlaw (International and Transnational Tendencies in Law) within the Department of Law at Aarhus University.

Thanks to a grant from the Aarhus University Research Foundation, the centre will provide the framework of coordinating the research activities of a number of senior staff members at the Department of Law in 2014-2018. These activities will be reinforced by recruiting five new junior research fellows who are going to join INTRAlaw during the next few months.

The formal opening of INTRAlaw is accompanied by the inauguration lecture of Professor Edward Canuel who has been appointed honorary professor of law at Aarhus University. Having specialised in legal aspects of the development in the Arctic, Professor Canuel will be affiliated to INTRAlaw as well as to the AU Arctic Research Centre and the AU Department in Herning.

We are looking forward to seeing you on Friday 24 October!
